SPECIAL BULLETIN

TRI-SERVICES MAINTENANCE CONCLAVE, 12 JUNE 2015

Tri-Services Maintenance Conclave was organised at BrahMos HQ in New Delhi on 12 June 2015 to highlight the important issues, which had direct bearing on serviceability of the Equipment and were crucial for ensuring the extended life of the BrahMos Weapon System. All the three wings of the Indian Armed Forces made their valuable presence of the occasion.

MESSAGE BY DR. APJ ABDUL KALAM ON THE OCCASION OF BRAHMOS DAY, 13 JUNE 2015

*"Leader must have a vision
Leader must have the passion to accomplish the mission
Leader must be able to travel in an unexplored path
Leader must know how to manage success and failures
Leader must have the courage to take decisions
Leader should have the nobility in management
Every action of the leader should be transparent
Leader should work with integrity and succeed
with integrity"*

MESSAGE BY CEO & MD, BRAHMOS AEROSPACE

"BRAHMOS today is the world's best supersonic cruise missile, which has established accuracy, reliability, ease of operation, fastest reaction time and practically no maintenance during storage when compared to other cruise missiles available in the world market. The missile system is planned to be launched from Su-30MKI platform. BrahMos will soon start to develop the fastest hypersonic missile in the world. Our vision is to be the world leader in the field of Cruise Missile Systems."
